

# Emeritus Academy Applications

---

## Start of Block: Default Question Block

Office of the Executive Vice President and Provost  
Office of Faculty Affairs

---

The Emeritus Academy provides a way to recognize and promote the ongoing engagement of Penn State emeriti faculty in scholarly and creative activities. Applications to the Academy are accepted year-round.

Those selected for participation in the Emeritus Academy will be granted the title Academy Professor for their three-year term of membership, with the possibility of renewal. Academy members are expected to be actively involved and productive in an area of research or creative activity that is consistent with the University's academic mission.

**Eligibility:** Have been granted emeritus faculty status by the University President.

If you have any questions about the Emeritus Academy or application process, please contact Dr. Ann Clements, Associate Vice Provost for Faculty Affairs, [acc13@psu.edu](mailto:acc13@psu.edu).

Name:

---

Preferred email address:

---

College/campus where last employed:

---

---

Academic Unit where last employed (department, division, or school):

---

---

Date of retirement or anticipated retirement:

---

---

List your academic scholarly activities occurring during the last three years of active employment and link it with your proposed scholarly project.

Describe your proposed project (limit 200 words).

---

---

---

---

---

---

Provide a brief timeline for the completion of your project (limit 50 words).

---

---

---

---

---

Explain why being an Academy Professor would benefit Penn State University and your continued scholarly work (limit 200 words).

---

---

---

---

---

If your project requires you to work within your former college, campus, or academic unit, please upload a letter of support from that unit.

Starting date you would like to be considered as an Academy Professor:

---

Please verify the following statements.

	Click to verify
I have been or will be granted emeritus status by Penn State University.	<input type="radio"/>
I understand that being an Academy Professor does not grant additional privileges within my former campus, college, or academic unit.	<input type="radio"/>
I understand that should funding be available, there is a separate process for requesting small grants and that Academy membership does not guarantee funding.	<input type="radio"/>

Are you willing to share your work as an Academy Professor with broad audiences through presentation?

☐

Yes

☐

Maybe

☐

No
